The Vice Prez Sez

“Happy New Year”

Hello all you pencil pushers. I will be saying a few words while our president, Karen, is off sailing the seven seas. She will return by our next meeting. I wish her bon voyage!

I look forward to this amazing New Year! I believe 2020 is the year when we will see clearly how to achieve our goals. Yes, I trust that the path will be open and available to those that simply notice it is there. This is the year we band together and make a difference in not only our lives but each others.

It has been a bit of a change and some getting used to, but I believe we are well settled here at the Pacific Beach Library. Have you noticed how accommodating they have been? We have our head librarian Christina Wainwright to thank for cleaning up and organizing the kitchen. She also put in new blinds on the windows, as promised. She told me she was working on the acoustics in the gallery, so let's keep our fingers crossed. There will be a “Thank You” card to sign at our Saturday meeting. Every member, including YOU, is important and valued in our group! Without you there is no group!

The other wonderful thing is... we are on the calendar for the PB library and listed as a public event and anyone can attend! Unfortunately at the last library we were listed as a private event and not advertised by the library. We hope that this change will bring in new members to our group and aide us in expanding.

Start preparing your piece or pieces for our upcoming show in May. This beautiful gallery here in PB accentuates our art work perfectly! If you need help or support in regards to your project, please ask during the sharing part of our meeting.

A members list will be handed out at our January meeting. Reach out to fellow members for help or support, Remember... it takes a village to grow an artist!

Sharing Session... The most popular segment of our

meeting. We can all learn from each other during this exciting time. Also, a excellent chance to get feedback, solutions and ideas from others!
