What's Up for September Meeting

Opportunity to Bond and Share

We are having our meetings through Zoom until further notice. **IF** you are not a member of CPSA DC 202, feel free to join our Zoom meeting. Simply email our president, Judy, and let her know you want to join the Zoom. She will in turn send you the link!

The BOD of CPSA DC 202 thought it would be a good idea to have a presentation one month and the next a totally sharing meeting on Zoom. This is our sharing month and it is soooo good to see all of you and your projects. I might need help and ideas about where to get colored pencils I need!!

See you all soon,
Blade ***please note my new email address***

“Still Penciling”

Hello fellow colored pencil enthusiasts,

We are a very resilient group. You have to be resilient to choose colored pencils for your choice of mediums!!

*There has been news from CPSA national, some good and then there's this: CPSA.org was down for a while due to hacking. What purpose it could serve to attack the website of a group providing support for colored pencil artists I have trouble imagining, but there it is. The website is back up and running now, thank goodness. There is also an enhancement to the website you will enjoy, under the tab Exhibitions. The new item is called “Art Related Articles From TTP”. There are a couple of dozen articles from “To The Point” linked under this tab, and I believe you'll enjoy them. Also on CPSA.org is the prospectus and reminder for the **Explore This! Show**. You can enter through the CaFe system anytime between September 15 and November 15, 2020. The show will be posted on the CPSA.org website from February 1, 2021 until January 31, 2022. I hope we'll have a number of entries to this show from our chapter. In other news from National, the 2022 convention will return to Florida, which is where it would have been in 2020 had it not been cancelled.*

Our September Zoom meeting will be at 10:00am on Sept. 12th. I will be emailing the zoom link to you on Sept. 9th. If you haven't received my email by the 10th, let me know so I can send it out to you again. If you know of anyone interested in finding out more about our chapter, please email me their name, email and phone number so I can send them the link. They do not need to live in the San Diego area or even in the California.

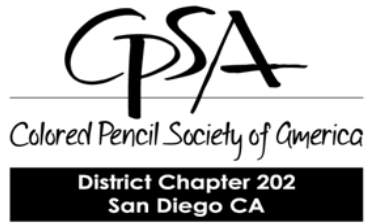

During our Zoom this month, we will be sharing our drawings that are in progress or finished. Be sure to have your pieces ready to show or discuss. We all enjoy seeing what other members are working on!! Looking forward to seeing all of your bright, shiny faces on Zoom!

Happy drawing everyone,

Judy Jacobs
