### What's Up for October Meeting

#### **Darcy Lohmann Sharing Techniques**

We are having our meetings through Zoom until further notice. IF you are not a member of CPSA DC 202, feel free to join our Zoom meeting. Simply email our president, Judy, and let her know you want to join the Zoom. She will in turn send you the Zoom link!

Our member, Darcy Lohmann, will be sharing her techniques for rendering colored pencil. She will be using the leaf, which you all should have by now. This is the 'autumn aspen leaf' we are using as a group project. Hope you have been working on yours. We are going to share our progress at the meeting :)

See you all soon,

## The Prez Sez

### *“Penciling Together”*

*How is everyone doing? This month we have a really exciting presentation by Darcy Lohmann. She is going to share her special techniques in rendering texture into a project! This will happen live on our monthly Zoom meeting on Saturday, October 10 at 10am. Plus, this is a great opportunity to share your leaf project that everyone received in their email. Remember this is an exercise we are all doing together. We will see other artists rendition of the same leaf and be able to talk about it. If you didn't get it, let me know.*

*Chapter Meetings – Pacific Beach Taylor Branch Library staff have advised us that although they will be opening to check out books, they will not be hosting any activities or meetings through the remainder of this year. They said they would let us know when they're able to host our meetings again. In view of this, we'll most likely continue to hold our meetings via Zoom until such time as the Library can accommodate us again and until we all feel safe. The advantage of virtual meetings is that we can welcome members and non-members alike who live a distance away and can't normally attend.*

*BUT, Al Meloche, one of our long time members, has graciously invited us over to his house to draw outside on his patio for our November meeting. He lives in San Diego. I will be asking you, our group, to vote on it during our October Zoom meeting. So, think about it, and be ready to vote!!*

*Keep penciling,*

*Judy Jacobs*
